TREADMILL CLASSES!!!

K9 Basics is now offering Treadmill classes for your dog!!
What a great way to exercise your dog during inclement weather or when your busy schedule limits your outside activities & ability to get to training! It also helps to “burn” the negative energy that gets them into trouble, builds confidence and most importantly, keeps them healthy!!

The training staff will teach you the safe and correct way of introducing your dog to the treadmill for a fun & positive experience!

Dogs of all ages are welcome & stages of training are welcome!

For the safety of the dogs, class sizes are limited – sign up is required!!

Call or talk to the training staff to sign up or for additional details!
(30 minute treadmill sessions, cost \$10, will be available M-F by appointment only, for dogs who have attended the training class.)
